Distances are in chains.
Bearings are reckoned from the astronomical
meridian through the centre of township 53,
range 24, west of the 4th Meridian.
Trails and road allowances are one chain wide.
Posts marking original positions of S.E. and S.W. corners
of H.B. Co's Reserve are shown in road allowance.
A strip 40 feet wide was dedicated by the H.B. Co. for a
road on part of the E. side of their Reserve, and accord-
ing to M. Deane's notes a strip 50 links wide was set aside
for a road on part of the W. side of the Reserve.
P. stands for wooden post.
